XMP-6250

1080p Solid-State Network Media Player

Embrace the multimedia age with the XMP-6250 Media Player. Feature dynamic and engaging digital signs in designed locations to deliver customized information or advertisement instantly.

Effortless Setup

Setting up the XMP-6250 couldn't be easier. Simply power up the device and you are ready to go. Previous technology experience is not necessary, which reduces overall set up costs.

Easy and Flexible Usability

So much power is packed into such a small form factor. The XMP-6250 content management is centralized and remote. You can control playback schedule as well as turn on and off display all from your fingertips.

Minimal Maintenance

The robust XMP-6250 is designed for 24/7 usage with self-recovery mechanism and a fanless cooling system for minimal maintenance and maximum running time.
